INGREDIENTS:

Crofter's Organic Premium Seedless Raspberry Fruit Spread

Chocolate Spread

Cream Cheese

Mini Chocolate Chips

Pretzels (Finely Chopped)

Cookies/Biscuits

Fresh Strawberries

DIRECTIONS:

1. Let's begin by grabbing a medium to large sized cutting board and finely chopping the pretzels. Set aside.
2. Using the back of a large spoon, gently scoop out some of the chocolate spread, enough to cover the back of the spoon and gently push it into the cutting board while pulling down to make a nice streak with a small well in the center.
3. Repeat this process with the chocolate spread, cream cheese, and Crofter's Organic Premium Seedless Raspberry Fruit Spread until the board is full. Next sprinkle some mini chocolate chips and finely chopped pretzels on top. Serve with a side of your favorite cookies/biscuits and fresh strawberries! Enjoy.
