INGREDIENTS:

Crofter's Organic Premium Strawberry Fruit Spread (Or any flavor works!)

Graham Crackers

Large Marshmallows

Dark or Milk Chocolate

DIRECTIONS:

1. Begin by spreading about 1-2 Tsp Crofter's Organic Premium Strawberry Fruit Spread or enough to cover the bottom of a graham cracker. Next, place 2 small chunks of chocolate on to the fruit spread. Set aside.
2. Place the marshmallow on a skewer and toast the marshmallow over a campfire until golden brown. If making at home, carefully use a heat gun or the element on your stove.
3. Place the toasted marshmallow on top of the prepared graham cracker followed by another graham cracker. Give it a good squish and enjoy!
